THE WHITE HOUSE INC. EMPLOYEE HANDBOOK

FROM THE WRITERS OF WHITEHOUSE.ORG,
LandoverBaptist.org, BettyBowers.com and Chickenhead.com
(John A. Wooden, Andrew Bradley, John DeVore, Chris Harper)

The extraordinarily talented creators of four of the Internet's most popular (and outrageous!) parodies: WHITEHOUSE.ORG, BettyBowers.com, LandoverBaptist.org, and Chickenhead.com – joined at the hip to produce the one book that is guaranteed to have Capitol Hill (and the whole country!) rolling in the aisles all election year long!

Welcome, unquestioning new White House Inc. drone. You are about to serve America's first-ever God-Appointed CEO President. Remember that the early bird gets the insider stock tip! Moving forward, you will now live your life according to **THE WHITE HOUSE INC. EMPLOYEE HANDBOOK: A Staffer's Guide to Success, Profit, and Eternal Salvation Inside George W. Bush's Executive Branch**, by the writers of Whitehouse.org (A Plume Trade Paperback Original, On-Sale: February 3, 2004, \$12.00). In it, you will find:

- Introduction to senior management: Dick Cheney, Hysteria Czar; Jesus Christ, Commander of the Commander-in-Chief; etc...
- Overview of your duties: Caring for Corporate Friends, France Bashing, Responding to Treasonous Bipartisan Criticism, etc...

(over)

- White House Floor Plans (note the Crusade Planning Bunker, AK-47 Appreciation Room, and Nancy Reagan Tarot Parlor)
- A Snappy, Zero-Tolerance Dress Code (for both the Dominant and Submissive genders)
- Official Bush Policy on Hot-Button Issues (i.e. Bulldozing shelters, to finally empower those homeless critters to live up to their name!)
- Approaching the President During Naptimes (how to avoid a vicious sarcastic putdown – AKA “your endearing folksy nickname”)

You’ll also learn our CEO President’s positions on:

- Educasion (i.e., Science: The Enemy of True Christians: Refuting so-called theories of “evolution” and the secular nonsense called “gravity”)
- Team Spirit – “You’re Either With Us – Or You’re Wanted Dead or Alive”
- The Economy (place the blame for everything on the previous [SEX MANIAC] president and his uppity lesbian wife)
- Influence – I’m Peddling as Fast as I Can!
- The Space Program (i.e., replacing girlish, disaster-prone “science” with rapid development of super-smart orbiting raybeams and missile shooter-downers and other neat stuff)

Don’t forget to fill out the Proof of Patriotism Worksheet, and carefully review the Safety and Security regulations – they may seem eccentric, but after all, “eccentric” is just a fancy non-Texan, un-American word used by effeminate liberals who read books!

Welcome to White House Inc., patriot worker bee – you picked the winning team!
